The Kiwanis Club of Poquoson completes it’s last fundraiser for KY16-17. We cooked about 1800 pounds of pork this past Friday night/ Saturday morning. We packaged over 900 pounds to sell and by this past Tuesday morning we were officially sold out. We cooked a little less BBQ for our May BBQ event and sold out the same day.

We head into the summer with only a couple events planned. We will be supporting the SE Region Fishing Clinic at Buckroe Beach on July 23rd and then will be cooking hot dogs at the Poquoson Library to cap off their summer reading program.

Leigh Fenigsohn spoke to us about the City Survey that all Poquoson residents should have received. She encourages everyone to take the time to fill out the surveys and to send back to the City Office.

2. To encourage the daily living of the Golden Rule in all human relationships.
3. To promote the adoption and the application of higher social business and professional standards
4. To develop, by precept and example, a more intelligent, aggressive and serviceable citizenship
5. To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service and to build better communities.
